

Reflecting HOPE

LOGOS SCHOOL
LEGACY OF HOPE GALA

Dear Friend of LOGOS,

We hope this letter finds you well. On behalf of the students and families at LOGOS School, we invite you to partner with us by donating an item or gift card for our annual fundraising event, the **LOGOS School Legacy of Hope Gala**, scheduled for Saturday, October 23, 2021. We are thrilled to announce that the Gala will, once again, be an in-person celebration at St. Louis Union Station.

With a fundraising goal of \$725,000, **the success of our event depends on the generosity of community partners who contribute items for our live, silent, and wine auctions.** Sponsorship opportunities and tickets are also available. While we know the past 18 months have been very challenging, we hope we can count on you to support the mission of LOGOS and our daily work to reflect hope and belief in every student to overcome their challenges and reach for their dreams. Proceeds from the Gala go directly to programming and resources aimed at helping students struggling academically, emotionally, and socially, as well as tuition assistance so that every student who needs support can receive it.

In exchange for your donation, we will include your company name and/or logo in the digital auction brochure/online bidding catalog that will be seen by our expected 300+ guests, as well as recognition on the LOGOS School website and in our 2022 Impact Report to the Community.

Included with this letter is an overview of LOGOS School and an Item Donation Form. We will gladly pick up your donation or you can mail it to LOGOS School at 9137 Old Bonhomme Road, St. Louis, MO 63132. If you have any questions or need more information, please contact Dee Harvill at 314.227.3775 or dharvill@logosschool.org or Sarah McCart at smccart@logosschool.org. We're happy to share more with you about the unique mission of LOGOS.

Thank you very much for your consideration. We look forward to working together to make this year's Legacy of Hope Gala the best ever!

Sincerely,

David S. Young '75

Chair, LOGOS School Legacy of Hope Gala

IN-KIND/AUCTION DONATION

LOGOS School invites you to partner with us for our annual fundraising event, the 2021 LOGOS School Legacy of Hope Gala, on Saturday, October 23, 2021. The success of our event depends on the generosity of donors like you who contribute items for our live, silent, and wine auctions. All proceeds from the evening directly support our educational and therapeutic programming. **Please complete a separate form for each donated item.**

Educators know that a student's mental health greatly impacts their ability to learn and succeed. Yet, the mental health support they are able to provide in a traditional setting, if any, is often insufficient to address individual needs and meet the rising number of mental health concerns among our youth today.

LOGOS School is the region's leading independent, therapeutic middle and high school for students dealing with crisis and any number of social, behavioral, and emotional challenges, such as anxiety, depression, and low self-esteem. Our mission is to provide students and their families HOPE and a path forward, whether it's mainstreaming back to a traditional school or graduating from LOGOS. Since our start in 1970, we've helped more than 2,000 at-risk youth find academic and emotional success.

Our students come to us from eight counties in Missouri and Illinois and receive:

- Personalized learning plans and attention (student to teacher ratio is 6:1)
- A dedicated therapist providing individual therapy each week
- Group therapy and social emotional learning
- Traditional middle and high school electives and experiences
- Transition support to college, employment and/or independent living
- Compassion, acceptance, and hope!

**We look forward to making this year's Legacy of Hope Gala the best ever,
and appreciate your continued support!**
